

Military Fellowship Program

In partnership with the DoD Skillbridge Program, UnitedHealth Group is providing career skills training and workforce reintegration to transitioning active duty service members across all branches of the U.S. Military.

Program Overview

The Military Fellowship Program is an innovative and collaborative approach between UnitedHealth Group and the U.S. Military. It is open to all transitioning active duty service members across all branches. Both officers and enlisted with a minimum of 180 days of active service remaining are eligible to participate in accordance with *DoD Skillbridge CSP Guidelines..

About Us

UnitedHealth Group is a distinctively diversified health and well-being company headquartered in the United States, and a leader worldwide in helping people live healthier lives and helping make the health system work better for everyone.

Our core capabilities in clinical expertise, advanced technology and data and health information uniquely enable us to meet the evolving needs of a changing health care environment.

We serve clients and consumers through two distinct platforms: UnitedHealthcare and Optum. UnitedHealth Group offers health benefits and services to people residing in all 50 states and more than 130 other countries.

UnitedHealth Group invests more than \$3.5 billion in technology and innovation, and processes approximately 1.1 trillion transactions annually.

More than 325,000 people worldwide power UnitedHealth Group with their entrepreneurial spirit and commitment to quality.
