Go paperless for faster updates

Optum Rx[®] strives to make accessing your pharmacy benefits simple and easy. That includes how we communicate with you about important updates.

Choosing **paperless delivery** is a convenient, eco-friendly way to get your plan documents. It's easy to make the switch, plus you can:

- Get email notifications when your new documents are available
- Connect to and manage your plan securely
- View important plan information and take action
- Access your digital ID card on the go

How can you update your preferences to paperless?

1. Go to optumrx.com
2. Click the *Sign in* button (if you already have an account) or select *Register* to create your account (follow steps below when completed)
3. Select *My profile* from the top drop down menu
4. Choose *Communication preferences*
5. Select *Paperless settings for required communications*
