Working at Optum

Innovation. Intelligence. Passion. Working at Optum offers you an opportunity to impact health care alongside some of the brightest minds in the industry. Advance your career and enjoy the benefits of an inventive, rewarding workplace at Optum.

Innovation and Collaboration
At Optum, we don't just develop solutions. We create innovations that have the power to transform health care. Experts in a wide variety of fields—including software engineers, data analysts, nurses, actuaries, epidemiologists, economists, and more—collaborate every day to develop fresh ideas that continuously improve the science and business of health care.

Career Development
There's no better way to advance your career than to surround yourself with the best minds, all contributing their unique education and experience toward health care solutions that impact lives around the world. We want you to have the best tools, training and development opportunities, and teammates so you can advance your career while helping us advance health care.

Rewards and Benefits
We want you to love what you do—and we want to reward you for it. In addition to our challenging and exciting work environment, we offer competitive salaries and benefits. From health and well-being options to retirement and savings solutions, you'll find far-reaching and flexible employee benefits.

Diversity
Diversity is one of our greatest strengths. People with different backgrounds, ideas, abilities and lifestyles all come together at Optum to share ideas and create health care solutions that benefit people around the world.

Culture
The people who work at Optum are among the brightest and most inventive in the industry. Work alongside us today and discover a culture of integrity, compassion, relationships, innovation and performance. Our team enjoys conversation-changing, life-changing, world-changing opportunities throughout their careers. Join us and see what it's like to do your life's best work. Search and apply for jobs with Optum today.

[APPLY TODAY](#)

Experienced Professionals

How big do you like your challenges? Well, we're the one place on earth where super-size doesn't induce a cringe. Health care is changing for the better and Optum is on the forward edge of that change. We're consultative, proactive, service driven and strategically minded. You can pull up a chair to join some of the smartest people in the business and contribute to initiatives that will drive our health care system forward.

We're bringing big ideas to life. And that means bringing together professionals with diverse backgrounds to work on a multitude of projects impacting health care. If you want to work with the best of the best in many areas, from marketing professionals to pharmaceutical researchers, learn more. It's time to start doing your life's best work. Find out more.

Physician Careers

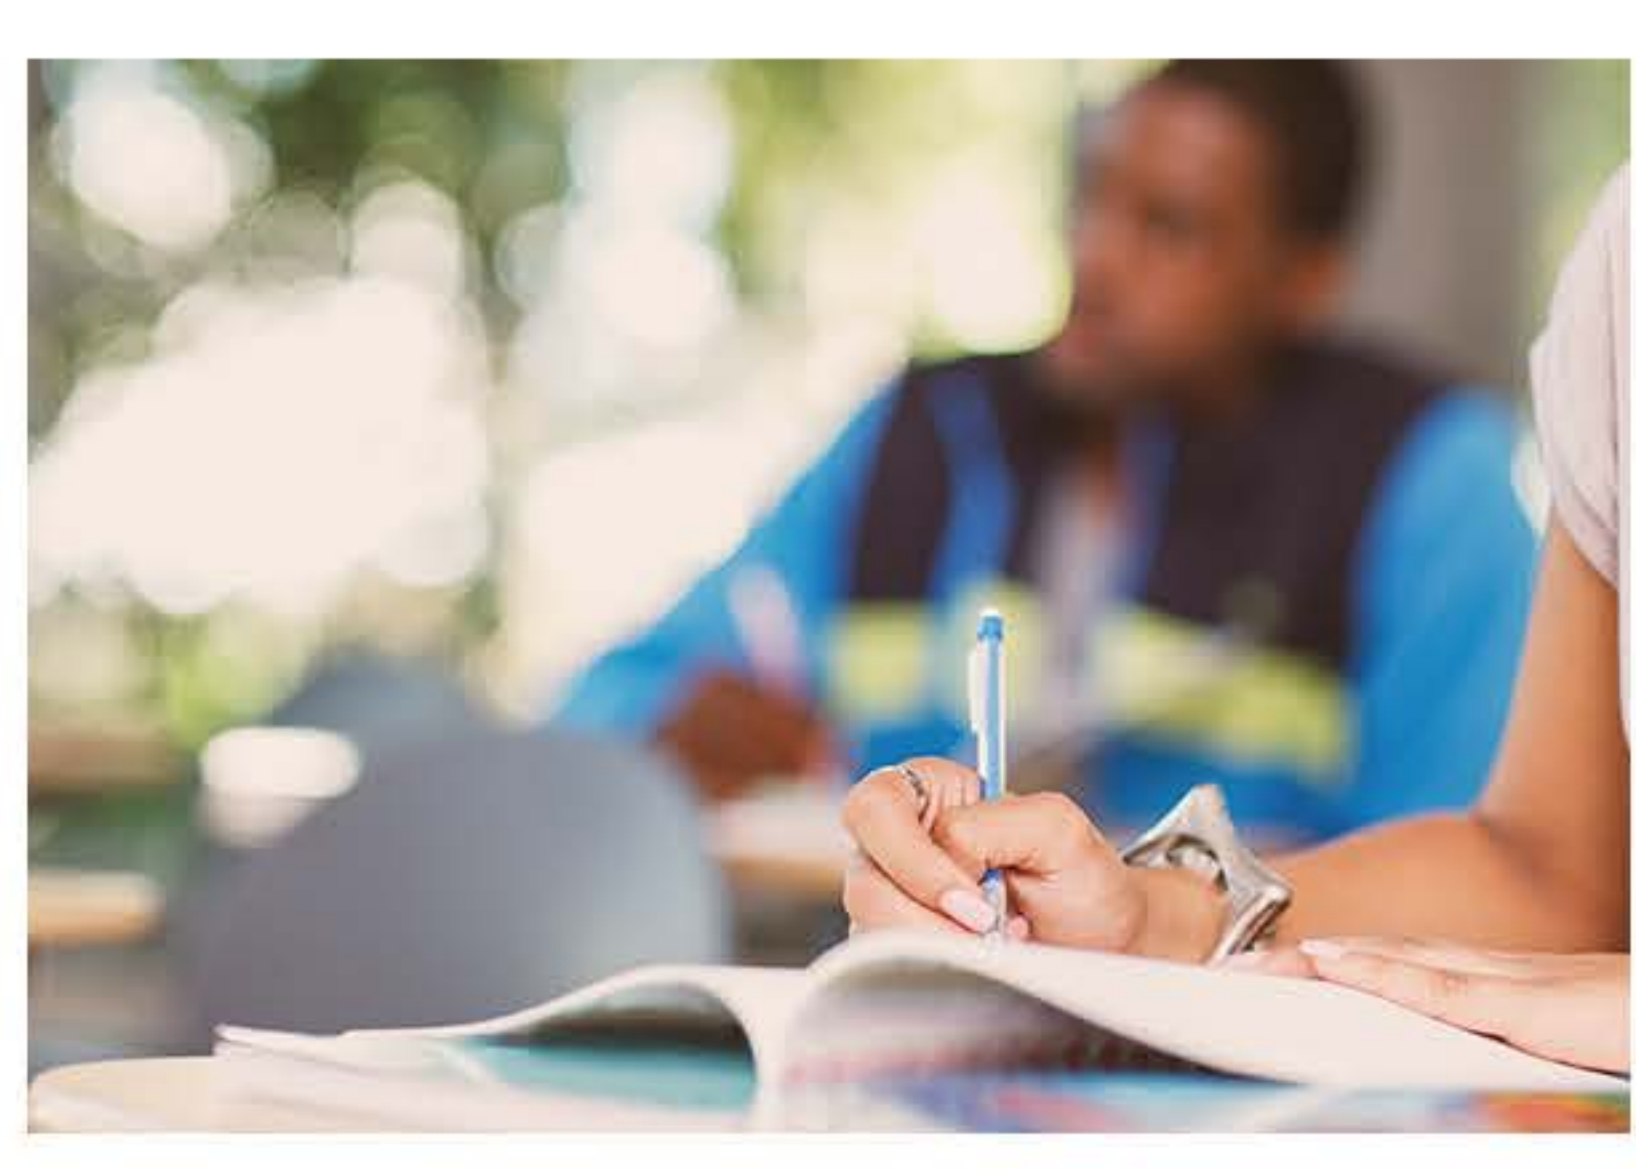

At Optum, our physicians play a pivotal role in our mission to help people live healthier lives. Physicians are one of the primary links to the people we serve, empowering our members with the information, guidance and tools they need to make personal health care choices, which create better outcomes.

Armed with certain clinical data that we've gathered and analyzed, our recruits tackle pressing health care issues, and empower and educate customers. It's an opportunity to expand your knowledge and experience beyond a traditional clinical setting and to collaborate with some of the brightest minds in health care.

We can show you how to help people lead healthier lives while you enhance your personal and professional development. If you have diverse clinical experience, leadership potential and a passion for making a difference, we want to hear from you. Learn more about physician careers at Optum and search for open positions.

[FIND YOUR JOB AT OPTUM](#)

Recent Graduates and College Students

Looking to begin your career? Make a solid head start at Optum. We're recruiting people like you who have proven their intelligence and drive in a successful college career, and who can learn more while leading Optum into the next generation of innovative health care solutions.

Internships
Get the real-world experience that promotes you to the head of your class. Optum offers internships and part-time positions for bright college students looking forward to careers in medicine, health technology, business and more. There's no better way to set your goals, refine your skills and make the contacts that can help put you on the fast track to success.

Campus Recruiting
If you are interested in health care and motivated to succeed, we want to meet you. We send Optum representatives to leading universities, looking for people who know where they want to go and providing insight into the culture of innovation that makes a career at Optum so rewarding. Search and apply for jobs with Optum today.
